SUMMARY

I am a multimedia student with a strong passion in videography and photography which I have been interested in this field since my school days. I have developed my skills in audio editing, graphic design and 3D animation. Currently, I am looking for internship to further hone my abilities and grow as a multimedia student in a more professional environment.

PROJECT EXPERIENCE

MULTIMEDIA PRODUCTION

- Filmed a short film for the final project
- Assigned as a videographer in the production team
- Assisted the director in suggesting shot types during pre-production

DIGITAL VISUAL COMMUNICATION

- Created a logo and branding
- Designed accessories, banner, product mockup, and poster using Adobe Photoshop
- Edited a video for promoting the brand

DIGITAL ILLUSTRATION

- Created a flat design character
- Assigned to make a cartoon character using Adobe Illustrator and improvised it

MULTIMEDIA PROJECT

- Created a short film for my client
- Using Adobe Premier Pro for editing the short film that I recorded myself
- Made a script, storyboard and formal report for this project

SOFT SKILLS

- Creativity
- Teamworking
- Communicating
- Adaptability
